LOKSAK OPSAK Odor Proof Bags

I bought these LOKSAK OpSak odor proof bags last year and took one of these bags on a recent trip. The bag had never been used before and the seal separated from the bag and totally failed the second time I closed it.

I looked at the warranty and it is only for 45 days so I’m out $17 for this worthless bag.

Since I had such poor quality I want to warn other people about these bags.
